

COVID-19 Vaccination Appointment

Any person 65 or older are encouraged to pre-register online for the vaccine. Use the following link to register for Oklahoma's Vaccine Scheduler Portal:

<https://vaccinate.oklahoma.gov/>

Pre-registration allows anyone in Oklahoma to register their contact information with the Oklahoma State Department of Health and indicate that they would like to be notified when the vaccine is available to them.

After you enter your information, if you're eligible to receive the vaccine, you will receive an email with instructions on how to schedule your appointment.

Please note that eligibility does not guarantee an appointment will be available to you. Appointment availability is solely dependent on vaccine supply in each county.

Vaccinations are available by **appointment only, no walk-ins**. Vaccination Centers in Ada are at the Agriplex (1701 N Broadway Ave) and the Pontotoc County Health Dept. (2330 Arlington St., phone 580-332-2011).

If anyone is unable to register online they can call Julie at the Parish Office for assistance.
